PROJECT

1. Dance Class Website

Designed and developed a comprehensive dance class website featuring sections like About, Classes, FAQs, Packages, Gallery, and Dance Styles.

Integrated live performance schedules and animations for a vibrant user experience.

2. Personal Portfolio Website

Created a personal portfolio showcasing my skills, projects, and contact information.

Included responsive design for optimal viewing on all devices.

3. Admission Contact Form

Developed an admission contact form integrated with Formspree to handle submissions efficiently.
